Taylor's Prize Draw

Last chance to enter this month’s draw to win £50+ worth of timers, cooking thermometers and scales. Click on the image or email using [this link](#) to confirm your entry, the draw will be on 30 June. We will announce the next prize in the August newsletter.

Gadget of the Month

Following on from our feature last month we invite our staff and customers to nominate a favourite cooking gadget, tool or item as a regular section. This month David nominates the **22cm Circulon Excellence Skillet** which he uses for poaching eggs.

A combination of shallow water, the heavy base and super fresh eggs from [Fluffets](#) produces perfect poached eggs every time! Paired here with sourdough from [The Old Malthouse Bakery](#). Both these feature in our [food walk](#). The pan is oven proof up to 260 degrees and has a stay cool handle. It is also great for omelettes, small frittatas and finishing off a fillet of salmon or cod in the oven after quick frying.

The pan sells for £47.95 with larger sizes 26cm and 30cm at £55 and £75

If you have a favourite kitchen item email the detail and a photo of it in use to office@salamandercookshop.com. Any we use in the newsletter or on the website will get a £5 Salamander voucher.

New in and Back in Stock

We are delighted that we now have limited stocks of the iconic Kitchen Aid Artisan Mixer back in store. Pictured below is the Fog Blue. Get in touch for details of availability and to reserve yours.

Joining our eco-friendly range we are introducing scourers, brushes and cloths from [Greenminds](#). These are made as much as possible from plant-based materials, even the brush bristles, with all renewable resources.
