Denby and Portmeirion Pottery

We are delighted to now be stockists for two iconic pottery makers Denby and Portmeirion. We will be carrying stock of the most popular Denby ranges and you can also order anything from their catalogue with direct to your home or store delivery. We will be stocking pieces from the Sophie Conran, Sara Miller and Morris & Co ranges from Portmeirion and again we are able to order anything else from their catalogue - whether you want a complete dinner set, a set of mugs or a cake stand.

Product of the month

We want to share with you how impressive Beeswax wraps are when used to store veg in the fridge. Surplus French beans picked just before going away for 10 days and wrapped in our [ltssawrap beeswax wraps](#) were just as fresh and tasty on our return as they would have the day after we picked them. Just wrap up in a parcel and use the heat of your hands to seal the edges. Also great for celery, cabbage and most other veg.

August prize draw

Last month's prize draw for the eco-bundle featuring a selection of our sustainable and long-lasting products was won by Chris Minns
